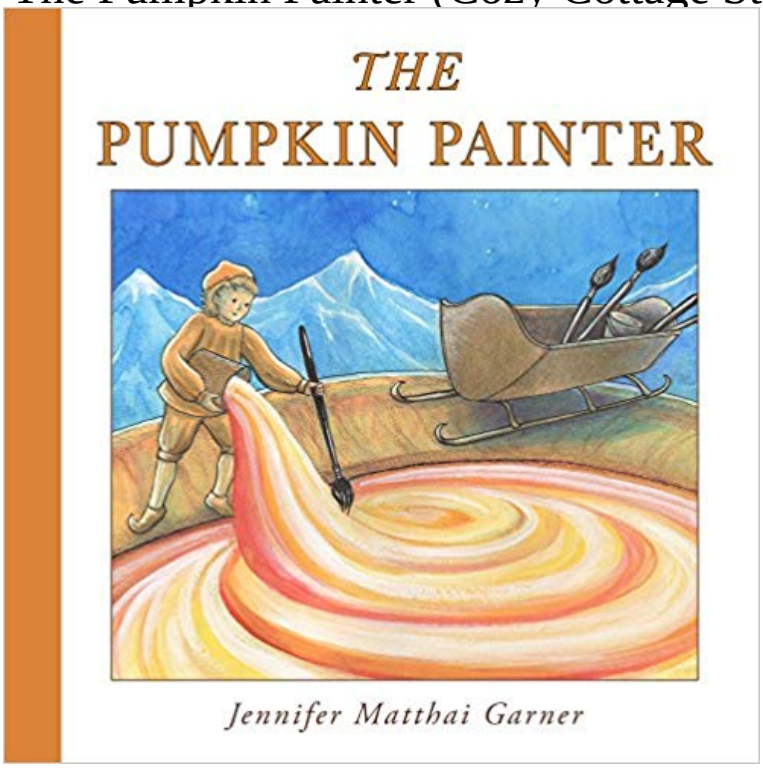
The Pumpkin Painter (Cozy Cottage Stories Book 1)



While collecting nuts in the magical forest, young animals come across an odd little man they have never seen before. Each thinking the other was strange and different, the little man and the animals begin to argue. Hearing the unkind words, Mama Louisa and Papa Louis come out of their cozy cottage to help them all calm down. Mama Louisa stirs up ingredients of happiness to bake a special treat, while Papa Louis tells a tale of an unusual pumpkin that was very different but had something very special on the inside. Will Mamas treat and Papas story be enough to bring peace to the magical forest?
