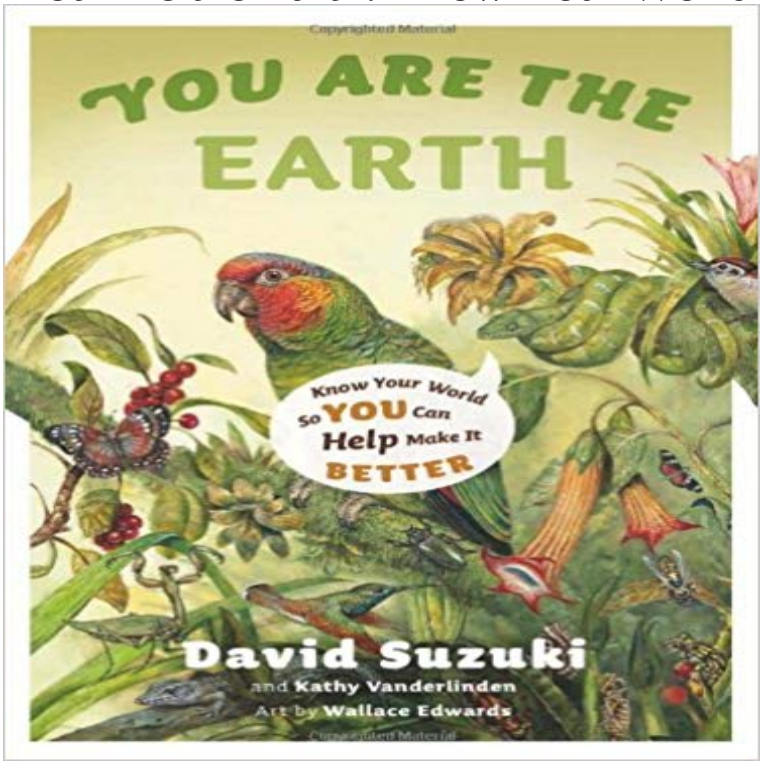
You Are the Earth: Know Your World So You Can Help Make It Better



This lively collection of fascinating facts and fables, colorful cartoons, and dynamic illustrations explains how everything on Earth is connected. Since its original publication, concern for the environment has grown, and although environmental damage has increased, so too have green strategies. This new edition reflects these changes, with expanded discussion of environmental issues and new technologies, as well as many more activities. New sidebars offer extra facts, tips, and real-life examples of things other budding ecologists have done to make the world a better place.
