

Amazing Automata -- Dinosaurs! (Dover Origami Papercraft)

Create moving models of five different dinosaur species from ichthyosaurus, the fish lizard, to Tyrannosaurus rex, the tyrant king, along with the armor-plated stegosaurus, the flying pterodactylus, and the bone-haded pachycephalosaur. Kids ages 10 and up can follow simple directions that explain how to build the crank-powered replicas. The book is also loaded with facts about all sorts of dinosaurs and includes a background play scene and a convenient pocket for storing loose pieces.
