

The Unofficial Guide to Picking Stocks (Unofficial Guides)

The Unofficial Guide to Picking Stocks is your guide to help you jump into the world of stock investing. Expert author Paul Mladjenovic takes you through the investment process while providing explanations to make sure you understand why you should invest in stocks, how to manage your stock portfolio, and what exactly makes up what is known as a ihoti stock. The book will also discuss what else you should take into consideration when creating your investment portfolio with tips on avoiding fraud, evaluating brokers, and sorting through the vast array of online investing opportunities.
