

Biblical Perspectives on Business Ethics: How the Christian Worldview Has Shaped Our Economic Foundations

Why do good people do bad things? What will happen to our economic principles if we lose our Christian worldview? Does God call some to be in business? How can the church support the business community? *Biblical Perspectives on Business Ethics: How the Christian Worldview has Shaped Our Economic Foundations* answers these questions and provides a foundation framework of understanding for all those seeking to have a biblical understanding of commerce. This book was born out of a business ethics conference which took place in Philadelphia, in 2010. Chuck Colson, Peter Lillback, Philip Ryken, Wayne Grudem and several others have come together to encourage and strengthen the reader in an informed, Christian worldview as it relates to business.
