

Ninja, Ninja, Never Stop!

Follow this little ninja as he sneaks up on the family dog, swipes a cookie from his brother, and escapes from Grannys kiss ... only to be out-ninjad by his younger brothers sneak attack! Young readers will be drawn in by the fast-paced rhymes that parallel the little ninjas quick moves, and will chant the refrain with glee! This humorous ode to stalking, sneaking, spying, and scheming is sure to be read over and over again, inspiring imaginary play for a new generation of ninjas. Praise for *Ninja, Ninja, Never Stop* Bright primary hues add an energetic yet retro feel to Carpenters illustrations... a good choice for mischievous preschoolers with an interest in the martial arts. --Kirkus Reviews The blocky, bold illustrations and quickly paced narrative combine to evoke satisfying comic-book action. --School Library Journal
