

## Seedlings Speedboats

A kindergarten-level introduction to speedboats, covering their speed, drivers, role in transportation, and such defining features as their blowholes. The popular Seedlings series from Creative Education now offers irresistible introductions to six more wild animals and six speedy vehicles. Written in a friendly voice, filled with dynamic photos, and featuring text crafted for the youngest of readers, these newest books touch upon the bodies, behaviors, habitats, and family relationships of living things and the parts, operation, settings, and roles of vehicles. As introductions to informational text, these titles will plant the seeds of knowledge!
