

Bramble and Maggie: Give and Take

Maggie and her mischievous horse, Bramble, are back for another spirited romp through the ins and outs of friendship. Maggie loves introducing her new horse, Bramble, to the neighborhood, the beach, and the backyard. Bramble has fun too, once she is cajoled into participating by a well-timed carrot or two. But when Maggie has to go to school, Bramble is bored and lonely and gets into some trouble with Mr. Dingle next door. A misbehaving hen and a midnight visitor finally help to turn Bramble into a good neighbor. This charming and funny early reader flows at just the right pace for kids who are learning that others don't always do exactly what you want, but that friends find a way to give and take.
