

THE REMARKABLE CATALOGUE AND HISTORICAL RECORD OF INVENTION & DISCOVERY

Meticulously designed to replicate the feel of a long-lost journal, this book contains five beautifully designed models that can be made without glue. Children aged 10 and up can assemble the models and learn about the great discoveries of the world at the same time. The subjects of the five spreads cover the fundamentals of human history: building and architecture, hunting and fighting, agriculture to industry, writing and printing, and exploration.
