

Charlie at the Zoo

When Charlie decides to explore the zoo, this cute little quacker finds adventure around every corner. With cunning die-cuts on every spread, children will delight in getting just a peek of the animal Charlie is describing and mimicking. They will enjoy the surprise when the animal is revealed with the next turn of the page. Stunning illustrations present a variety of zoo animals from Charlie's petite perspective in this delightful new work by the creator of *The Rainbow Fish*. In addition, each animal is accompanied by information about its normal habitat, eating habits, and more. With its vibrant palette and popular zoo theme, *Charlie at the Zoo* is a natural for displays and promotions. Zoos are popular in every community and many summer reading programs use zoo themes to promote reading programs for their youngest patrons.

A new fennec fox, Charlie, begins to get acclimated to being a program animal with the Bronx Zoo staff. A massive summer school holidays was topped off this week with Charlie the 12ft saltwater crocodile being fed a whole wild boar carcass in the Crocoseum! - 2 min - Uploaded by Allirog GorillaMeet my big buddy, Charlie from Toronto Zoo.
