

Clackers: Crocodile

Crocodile is looking for her mommy. In her travels she meets many jungle animals to help her on her way. The shape of the book resembles a crocodile's snout, perfect for clacking. Parents and caregivers are always looking for books that will engage babies and very small children, and this one fits the bill. And it's just the right size for little hands, diaper bags, strollers, and cribs. The colorful, simple illustrations make this a must-have for baby's first library. Also newly available: Clackers: Monkey
