business visionary Dale Partridge reveals
seven core beliefs that create success by
putting people first. Every day major
headlines tell the story of a new and better
American marketplace. Established
corporations have begun reevaluating the
quality of their products, the ethics of their
supply chain, and how they can give back
by donating a portion of their profit to
meaningful causes. Meanwhile, millions of
entrepreneurs who want a more responsible
and compassionate marketplace have
launched a new breed of socially focused
business models. Sevenly founder Dale
Partridge uncovers the seven core beliefs
shared by consumers, starters, and leaders
behind this transformation. These beliefs
have enabled Dale to build a
multimillion-dollar company that is
revolutionizing the marketplace. He
believes they are the secret to creating a
sustainable world that values honesty over
deception, transparency over secrecy,
authenticity over hype, and ultimately,
people over profit.
