

Fashion Rendering with Color

This up-to-date business tool for artists learning job skills, demonstrates with clarity and precision the beginning, middle, and advanced techniques for marker and water color rendering for the fashion industry. Its focus and approach demystify the rendering process in simple, easy to follow, step-by-step instructions with specific examples that encourage practice and confidence in either media of choice. A fundamental format builds on skill and proficiency, and it contains a gradual, natural progression of style into more complex and detailed techniques. Chapter topics include design room skills, sketching/rendering for a collection, quick tips for illustrating fabrics, line quality; flesh tones; solid coloring; white fabrics; simple prints; fall fabrics; knitwear; and glamour fabrics. For fashion designers, designers assistants, and stylists.
