ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. ? Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. ? Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. Financial Accounting helps students nail the accounting cycle!

Financial Accounting features the accounting cycle up front in the text in order to increase success and retention later on. The concepts and mechanics students learn in the critical accounting cycle chapters are used consistently and repetitively and with clear-cut details and explanation throughout the remainder of the text, thus minimizing confusion.

MyAccountingLab for Financial Accounting is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams resulting in better performance in the course and provides educators with a dynamic set of tools for gauging individual and class progress. ? Teaching and Learning Experience ? This program presents a better teaching and learning

experience.
