

# Hell Bent for Leather: Confessions of a Heavy Metal Addict

A HEARTBREAKING AND HILARIOUS CONFESSION OF A HEAVY METAL OBSESSION. Seb Hunter was a Heavy Metal fan and hes not proud. HELL BENT FOR LEATHER is the story of Seb Hunters 15-year Heavy Metal journey: from his first guitar (his dads), to his first gig (Rag n Bones play the John Stripe Theatre in Winchester) and on through groupies and girlfriends and too many drugs, to a faltering career in London where spiralling egos, musical differences and the arrival of Grunge (and a much needed haircut) kill the Heavy Metal dream. Along the way youll learn to spot a Fender Telecaster from a Gibson Flying V, Thrash Metal from Glam, and the Priest from the Gunners. It will tell you when to play a drum solo, how to wear Spandex and exactly what to do when youre in the middle of a muddy field at the Donington Festival and you desperately need a piss. Affectionate, irreverent, and very funny HELL BENT FOR LEATHER is a also moving story of adolescence, of playing air guitar in your bedroom, of living with parental disapproval and of struggling for acceptance amongst your friends when you carry a shameful secret obsession. A must for anyone who has loved Heavy Metal, or laughed at Heavy Metal; for fans of SPINAL TAP, WAYNES WORLD, or the new superstars of British music THE DARKNESS. Featuring music from: AC/DC, IRON MAIDEN, LED ZEPPELIN, JUDAS PRIEST, BLACK SABBATH, SLAYER, KISS, W.A.S.P., AEROSMITH, THE SCORPIANS, GUNS N ROSES...and from Seb Hunter (Guitars) in ARMAGEDDONS RING, EXCALIBUR, RAG N BONES, CAT BALLOU, and erm...LOVE KNUCKLE.
