

The Wild One (Phantom Stallion #1)

When 13-year-old Samantha returns home to her family's cattle ranch in Nevada, she's worried. She moved away two years ago to recover from a bad fall off her beloved mustang, Blackie, and she's still not sure she can get back in the saddle. Her new colt doesn't seem to like her, and the other ranchers treat her like the boss's spoiled daughter, and Blackie has been missing since that fateful day. But that's just the beginning. When Sam suddenly finds the fate of a mysterious mustang who may or may not be the missing Blackie - resting in her hands, she has to learn to be a real cowgirl, ready or not. The classic theme of a girl and her horse is set against a backdrop of mustangs, tumbleweeds, and a West that's still Wild. Phantom Stallion #1: The Wild One On a moonlit night, a mustang comes to Sam. Is it Blackie grown up and gone wild? Is it the legendary phantom stallion? Or could it be both? Ages 10+
