

## Yuris Brush with Magic

While on the Outer Banks in North Carolina for the summer, Tammy and Ken find a sea turtle nest, while staying with their great aunt Yuri from Japan. As they listen to their Aunt Yuri tell of the Japanese fairytales that she paints, the tales magically come to life. Can Tammy and her brother find clues in her stories to solve a generations-old family mystery? Will Aunt Yuri reveal the true nature of her magic? A great book for preadolescent readers and their parents.
