

My First Book of Baby Animals (National Wildlife Federation)

A sweet tiger cub, padding softly on its paws across the ground. A little lion getting its head nuzzled by mama as they soak in the sun. Two young kangaroosjoesat play. An infant chimpanzee, clinging lovingly to its mothers back. Nothings more irresistible than an animal baby, and with these magnificent photos, kids can meet the cutest ones of all, and their families, too. From two fox kits climbing on logs, to an adorable baby bunny, to a trio of polar bears huddling close to stay warm, to penguins, polar bears, eaglets, and foals, these precious creatures will fascinate human cubsand entice them to look at the pictures over and over again.
