

No More Bottles for Bunny! (Ducky and Piggy)

Bernette Ford and Sam Williams's delightful tale of a toddler's rite of passage is now available in board and it even has a fluffy bunny tail on the cover for kids to pet! First diapers; now bottles: growing up isn't easy! Adorable Pig and Ducky, who made their first appearance in *No More Diapers for Ducky*, return for a sequel with an equally appealing new friend. Bunny sucks on his bottle at mealtime, naptime, and playtime. But now he has an invitation to Piggy's lovely tea party and no one drinks tea from a bottle! Will Bunny grow up and start using a cup? Once again Ford and Williams teach their lesson gently, with subtle, graceful writing and thoroughly charming characters.
