

On Noahs Ark

Jan Bretts intricate illustrations against a beautiful papyrus background make a stunning picture book of a favorite story-this time featuring Noahs granddaughter. As the floodwaters rise, she helps take the animals onto the ark and get them settled down. But its not easy when giraffes are sleeping next to pandas and lions are curled up with turkeys. Finally the gentle rocking of the ark lulls them all to sleep until the waters recede and Grandpa Noah, his family, and all the animals leave the ark. This simple telling, combined with extraordinary illustrations of every animal imaginable, makes On Noahs Ark perfect for young and old.
