

# Twin Tales : The Magic and Mystery of Multiple Birth

Booklist, starred review Kirkus, starred review NSTA-CBC Outstanding Science Trade Book From fantastic, televised stories of separations at birth to the identical sisters in your fourth-grade class, the phenomenon of twins has always been an enthralling and mysterious subject, especially for children. This comprehensive look at multiple birth answers the questions that all kids and adults ask most frequently. Dealing with such issues as identical and fraternal twins, conjoined twins, legendary pairs, and twin telepathy, Donna M. Jackson has created a captivating book that is as entertaining as it is educational.
