

Managers Guide to Freight Loss and Damage Claims, 3rd edition

Managers Guide to Freight Loss and Damage Claims, third edition, offers a real-world, practical approach to dealing with the twin problems of freight damage and freight loss. The author discusses both the law and the reality of freight claims, in plain terms, so both shippers and carriers can understand their rights and responsibilities in dealing with Loss and Damage problems. Extensive appendices, table of cases cited, index. College-level instructional course material using Managers Guide as its main text reference is available to accredited schools, or for corporate training or self-study.
