

10 little frogs and Loves riddle for Valentines day (Hitty Bitty Book 4)

One spring morning 10 little frogs are confronted with a riddle they cant solve. How come do we celebrate a day when everyone looks like a boiled fish in love? And what is Love? This is what the Teacher asks them. Quite amused by the question, the 10 little frogs will find out that Love has many faces and is variously expressed: by playing with your friends, in the passion for music and art, even in dreams! A real puzzle! And Little Bro will even find out that Love can have the lovely features of an absent-minded girl frog. 10 little frogs and Loves riddle is an easy-to-read nursery rhyme, full of funny bright pictures, both for toddlers and children.
