Books for Kids: Corey the caring croc (Bedtime Stories For Kids Ages 3-10): Kids Books Bedtime Stories Childrens Books Kids Adventure Series (Fun Time Series for Beginning Readers) by Aunty Rabbit One morning, Corey was running late for work. Watch out! Skater croc coming through! Corey shouted as his skateboard bumped into Oscar the ostrich. Corey reached into his knapsack and gave Oscar an ice cream sundae. Sorry he shouted as he skated away. Corey had just arrived at his restaurant by the docks, when he saw the lion and the lizard exercising in the gym next door. Hey, why dont you guys take a break? asked Corey. So thirsty must run the lion panted. They decided to take Coreys offer and basked in the sun as they sipped lemonade. Corey wasnt by the docks for long when he heard the grumpy octopus. Ahrr who goes there? He was so frightened by the voice of the octopus that all the food fell from his tray. Shiver me timbers! yelled the octopus as he caught the food with his arms. The octopus laughed as he juggled the food. It was the first time that they had seen him so happy.
