

Tail Waggin Tales

I am EIPPY, the Hot Shot Shih Tzu. Every dog has a reason for being. My reason is strictly to give love. I dont hunt, pull, track or attack. I just love to be with you. I want to ask that you love me for all that I am, an energetic, curious and excitable bundle of canine joy, sharing tail waggin quotes from great humans about the canine fur balls they love. A portion of book profits will be donated to the Humane Society.
