

The Ones Who Walk Above

Created by the award-winning team of Poet Ben Kaye and Illustrator Stu Jones. Raised on fireside tales of The Ones Who Walk Above, a young badger leaves his loving home on a quest to find the truth behind the legends. Many adventures lie ahead as he searches for the mythical Promised Land, but will his curiosity end in sorrow, or ultimately lead to salvation for the beleaguered creatures that call the countryside their home? A fairytale of our 21st century countryside with all the questioning, sadness, cruelty and poignancy that the genre demands. - CHRIS PACKHAM Wildlife TV Presenter, Naturalist and Author An enchanting, wonderful tale that will inspire and capture the imaginations of children and adults alike.
