

Business Planning for Traders and Investors (Audio CD Series)

Trading is too often treated as a hobby; the result of which can often turn out to be costly and frustrating. To increase your chances of success as a trader, you need to treat your trading like a business. This applies to full time professionals as well as the long term investor who does not trade with frequency. In this comprehensive CD series, you'll learn all you need to know about setting up a viable business plan for your trading. Van Tharp interviews a variety of special guests and provides you with weekly exercises designed to assist you in preparing your plan as the series progresses.
