

History of Mennonites in Virginia

This reprint of History of Mennonites in Virginia is authorized by the children of Dr. Harry A. Brunk. This work represents the most extensive history of Mennonites in Virginia from 1727 to 1900 available today. This history takes us from the earliest days before Mennonites moved to the Shenandoah Valley up to the schism of the Old Order Mennonite Church in Virginia in 1900. Brunk covers the Indian raids on the settlements in Page, Frederick, and Shenandoah counties during the French and Indian war in the 1750s and 60s. Those murdered included many of two Mennonite families. Brunk moves with the history to Virginia Conference, the formation of congregations from house churches to church houses. He ably writes about the development of districts, mission churches, and the growing membership of the Virginia Conference. This history is brought alive by numerous quotes, some from previously unpublished sources. The lack of bias makes this book a treasure, reflecting God's unfolding work in the lives of the Mennonites in the Shenandoah Valley, Newport News, Amelia, and into West Virginia.

The Mennonites were some of the first European settlers in the New World, arriving in Pennsylvania in the 1680s from Germany where they suffered persecution for their Anabaptist beliefs. A joint project of Shenandoah Valley Mennonite Historians and Virginia Mennonite Conference Historical Committee, interpreting the past to inform the present. The first meeting at which minutes were taken and preserved, of what would be later be incorporated as Virginia Mennonite Conference, In a time of polarization, the diverse community of Mennonites in Harrisonburg, Va., are transcending nationalism and bridging divides.
